Alex Iverson

I am a senior. I love programming. I have been doing FIRST robotics for ten years, and hope that my last season will be one to remember.

Matt Iverson

I'm a sophomore. I also enjoy programming and driving. I've been doing FIRST Robotics for 6 years, most of which were FLL.

Filip Lewulis

I am in 11th grade and this is my first participation in FIRST. I hope to win and learn some engineering and programming along the way.

David Rohrbaugh

I am a sophomore and this is my first season of FTC. I have participated in FIRST since 4th grade. I will work on programming and electronics.

Ben Trout

I'm a junior. This is my second year of FTC. I enjoy building and designing. I plan on boosting our team's community outreach.

Nick Vosseteig

I am a junior who programmed and drove the robot in last year's robotics team. I also enjoy the problem solving and designing.
